Tournament Format

This will be a Team Dual Tournament. Six teams will wrestle each other. The Team champion is determined by the overall record from the duals. Individual placers are determined from the duals also and wrestlers should not bump and down during the duals. **If the tournament is expanded to 8 teams, there will be 2 pools of 4 teams. The top 2 teams from the pools will be put into a 4 team bracket that separates the teams that already wrestled each other. The teams will then wrestle out for placing. Teams that do not advance will get one match with a team from the other pool. Individual wrestler placements will be based on records, head to head, and common opponent.**

- **Due to the shortage of officials, we will only be using two mats, but every effort will be given to keep the tournament rolling so teams can finish as soon as possible. The use of two mats was mandated by the head of officials.**
- Hospitality Room is located in the room directly behind the closed set of bleachers in the gym.
- Restrooms in the commons.
- Locker room down the hall to the left of the basketball hoop, last door on the left and possibly the girl's PE locker room down the hall to the right of the basketball hoop.
- Please have any busses park to the right of the school nearest the soccer field.

Thanks for coming, let me know if there is anything you need. We hope to do this tournament again next year, so let me know if you plan on coming back.
