Mohigan Wrestling JV Tournament presented by AnyBODY Fitness Information

Morgantown High School will be hosting a one day, JV tournament. Our goal this year is to run a Girls and Boys tournament simultaneously. The interest and sign ups will dictate the format to the tournament (single or dual gender round robin, single or dual 8-person double elimination, etc.) This experience will allow athletes that did not make their varsity program an opportunity to take part in competing and potentially placing in their weight class as a way to cap off their season the Saturday before the regional tournaments. Each weight class will have a medal opportunity for 1st, 2nd, & 3rd place.

We will wait until the morning of 2/10 to assign the athletes a weight class. If you are able to provide an idea of whom and what weight class the day before (2/9) it will make organizing the round robins much easier the morning of.
