Elementary Dual State Championship **Defend your Region**

This event is a trial idea that is aimed at encouraging the participation in dual team concepts inside the state & nationwide. It is believed that they are exciting, guarantee good action in general, & takes the emphasis off of the individual & puts the focus on the team. It is hoped that this, in time, develops enough interest that this event can become a team dual event & not a regional team competition.

NOTE: A portion of the profit (at least \$500) from this event will be donated back to the WVYWA with the intent to support the WVYWA national dual teams.
